Social: Thursday, October 19 at Champps Americana, Brookfield, WI
*Accommodations available at Embassy Suites / WISET 2017

Thursday, August 31, 2017

Dear WISET Member / Attendee,

This letter is being sent to you as a formal invitation for your participation in the 2017 Annual Meeting of the Wisconsin Society of Electroneurodiagnostic Technologists. Join us on October 20, 2017 to network with other END professionals, meet exhibitors and listen to educational topics. If you use EEG, PSG, NCS, LTM, EP, IONM, then this meeting is for you!

With growing membership and presenters for both EEG and IONM practice areas, we are confident this year's meeting will be one of our best. We have secured presenters and speakers who will provide leading knowledge and research in the field of END. Our venue this year spaciouly allows for attendees to make overnight accommodations and participate in our social and meeting all in one location.

On behalf of WISET, I thank you in advance for your support of our society, and look forward to personally meeting you in October.

Dr. Lisa Mueller

1500	"3D Anatomy and Craniometric Points"	Dr. Roberto Rodriguez- Rubio
1600	ABRET Updates	Pat Trudeau

Speaker Biographies

Neurosurgeon **Dr. Sumon Bhattacharjee** focuses on treatment of the brain and spine, including specialization in interventions for scoliosis.

Dr. Ernesto Lima is a neurophysiologist with Neurological Monitoring Associates in Milwaukee, WI.

Dr. Terence Edgar is fellowship trained and Boarded in Epilepsy, EMG and Neuromuscular Disorders.

Board certified in Clinical Neurophysiology, Epilepsy and Neurology, **Dr. Christopher Anderson** joins us from Froedtert Hospital in Milwaukee, WI.

Dr. Humberto Battistini directs the Sleep Disorders Laboratory and is an Associate Professor of the Division of Sleep Medicine at the Medical College of Wisconsin.

Dr. Sri Chakravarthi is a neurology Research Fellow, currently focused on surgical imaging, approaches and treatments.

Dr. Roberto Rodriguez-Rubio directs the Department of Neurosurgery and OHNM at the University of California – San Francisco.

Pat Trudeau is the secretary and treasurer of ABRET Neurodiagnostic Credentialing and Accreditation.

How to Become a WiSET Member

Visit www.WiSET.org and complete the Membership application form. Mail it in with your registration fee to enjoy the member discount for the annual meeting. Network with your fellow Neurodiagnostic Technologists to help you in the course of your day-to-day job and develop your career and professional goals.

Scholarship

There are **TWO** scholarships available for \$150.00 (Educational Scholarship for WiSET member) and \$100.00 (Educational Scholarship for WiSET attendee) for the WiSET meeting.

The committee will award the scholarships to those whom it feels will benefit the most from attending the WiSET meeting. Please send the completed application, via mail or email, by **October 1, 2017** to the WiSET Treasurer. (See address right)

Continuing Education

ASET – The Neurodiagnostic Society, has granted 8 ASET Continuing Education Units (ASET-CEUs) for this program. Such crediting, however, should not be construed by program participants as an endorsement of any type of instruments or supplies mentioned or involved in these procedures.

* Program topics and presenters may change without notice.
